Expedited Review Request

Dear PSC,

My name is William D Jefferson, general manager of Genesis Telecommunication, LLC. of Greenwood SC. I am formally requesting reinstatement of our commission. Our commission has been revoked because of late filing of the Annual report and USAC worksheet. These reports have been completed and delivered at this time. I have been working with Dawn Hipp since being hired as gm with Genesis. She has been very helpful and has explained the importance of proper filing of these reports. From hence forward we will observe all filing deadlines as they relate to the continuance of the certification.

Sincerely,

  
William Jefferson, gm
